

# Funding Teachers. Empowering Students.

We buy classroom supplies for teachers so they don't have to.

We believe that by providing funding to public school teachers, we can support exemplary teaching, increase retention, and impact student success.

94%

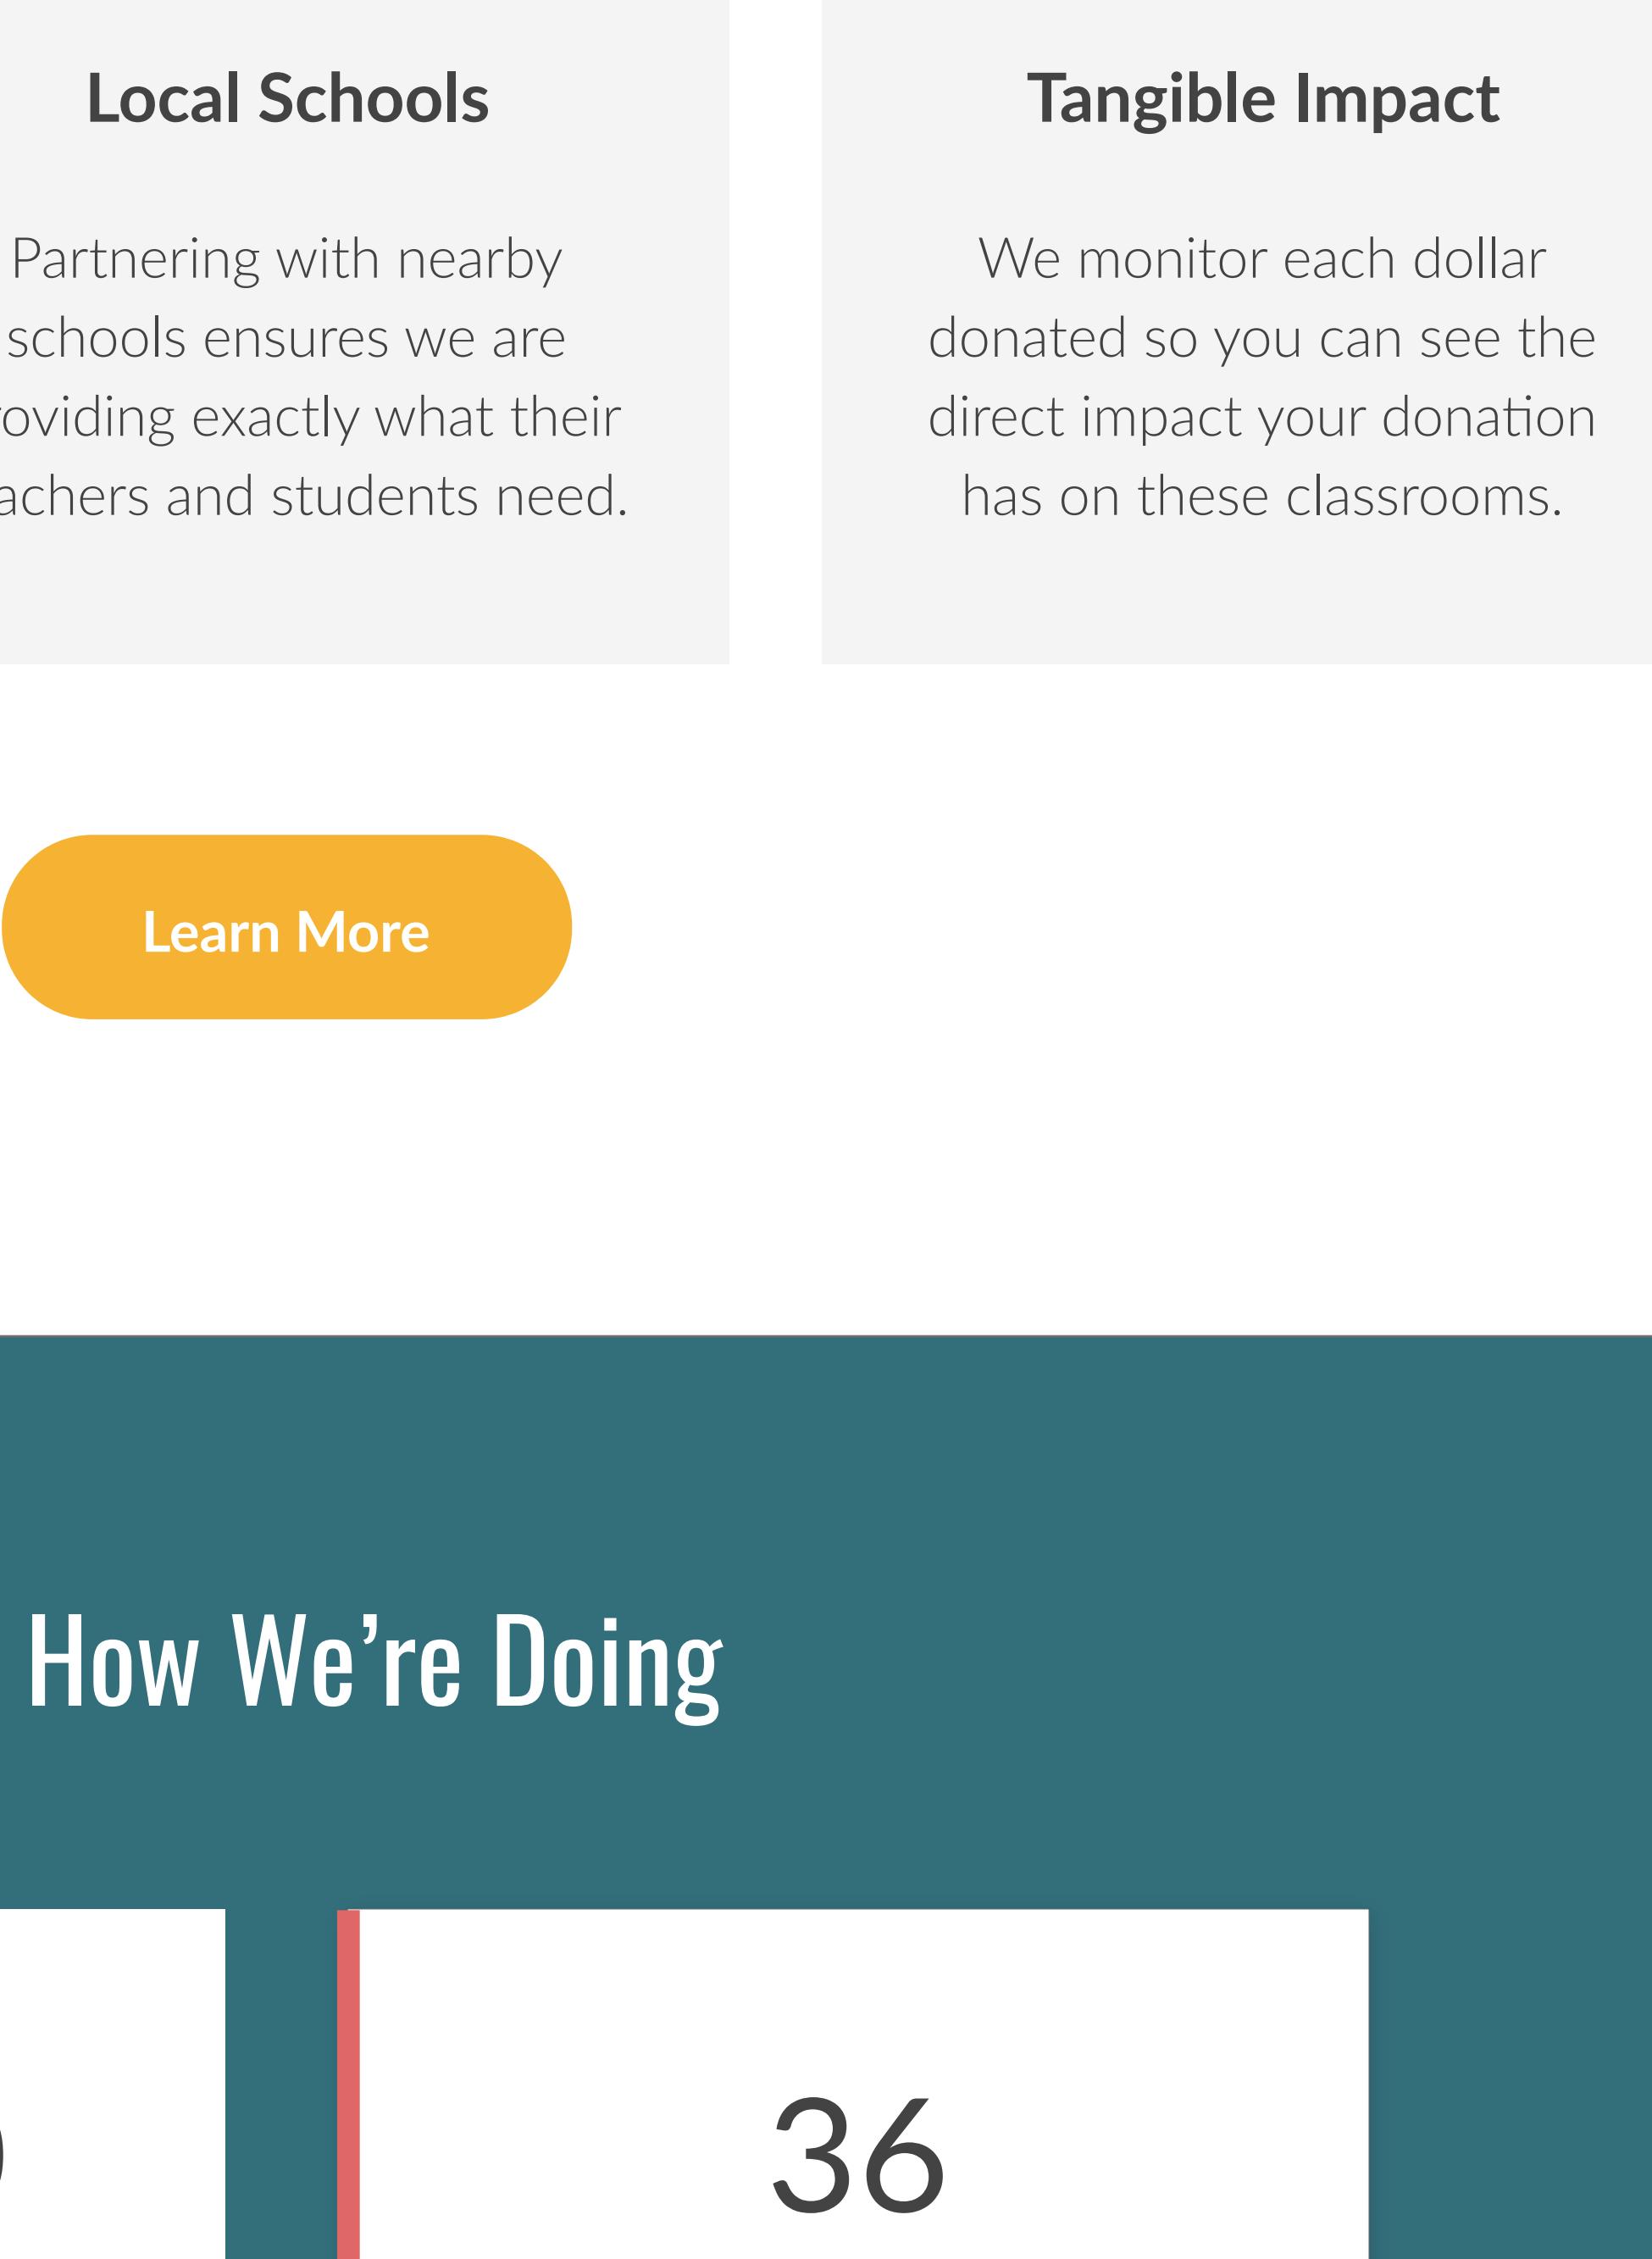

Amount of public school teachers who spend their own money on school supplies

100%

How much of your donation goes direct to providing resources for needy classrooms.

## What We Provide

We support teachers in need of everything from the most basic of classroom supplies to extracurricular and after-school funding and equipment.

## Our Process

### Quality Teachers

We fund dedicated teachers working diligently to improve their classrooms and their students' education.

### Local Schools

Partnering with nearby schools ensures we are providing exactly what their teachers and students need.

### Tangible Impact

We monitor each dollar donated so you can see the direct impact your donation has on these classrooms.

## Get Involved

### Fund Teachers

Because private donors cover our operating costs, you can give knowing your whole gift will go toward helping equip teachers and students with the supplies they need to be successful.
